Last Update: 09 July, 2023

22 sec ago - This weekend, we watch the UFC 290 live stream online to see a featherweight title unification plus a defense of the UFC Flyweight Championship. With a card like this, expectations are set high for next year's International Fight Week.

UFC Featherweight champion Alexander Volkanovski will attempt to retain his title when he fights Yair Rodriguez at UFC 290 this weekend.

Volkanovski is coming off the back of a loss via unanimous decision to Islam Makhachev earlier this year.
